CC Docket No. 02-06 *26*

Request for waiver

I am writing as Principal of Corpus Christi Catholic School in Manhattan, NY to seek permission to submit our E-Rate requests for services from providers within the next 48 hours.

The staff member who was to do the filing is no longer with us. I assumed that the staff member had filed all of the necessary papers. We returned yesterday from a week of no school to find out that the requests based on bids from service providers had not been filed.

We are not in the habit of doing these things late - I will do the filing myself if you could see your way clear to granting me a day or two to get it done.

Thank you,

*Bro. Larry Lavallee*
